SCHOOL NOTES.

By W. H. JOHNSON, Superintendent.

Mr. A. B. Waggoner of Fort Smith, Ark., called on the school Monday. Mr. Waggoner has charge of the cream separator business of the International Harvester Company for this section. He came to demonstrate the Primrose No. 1, which his company loaned to the school recently.

New report cards were printed for us this week by The Herald. The work was neatly and attractively done and speaks well for the quality of work which can be done by our local paper.

These reports are printed in three colors, orange for the primary department; blue for the intermediate and grammar departments; and white for the high school department. The cards are arranged on the semester plan, with monthly reports for each half year of the term. We ask the parents to please look over these reports each month when the pupil brings them home, sign the card and return promptly. Confer with the teacher from time to time in regard to the progress of the pupil. Nothing counts more toward the welfare of the pupil than a close cooperation between parent and teacher.

Discourage, to a prohibitive degree, the tendency to loaf about town which pupils sometimes manifest. Such a habit

will counteract the work which the school is trying to accomplish.

Social functions for pupils should be put off till the week's school work is finished. It is not possible to do the school work when outside attractions come between the pupil and the school.

Result of foot ball game Friday: Kennett High 6; Hayti High 0.

This was the most closely contested game which has been played on the home gridiron. At no time during the game was it possible to pick the winner.

The features of the game was forward passes by Hayti and end runs by Kennett. Star plays by Kennett—Rogers, Harper and Hammon. By Hayti, Harper, Dorris, Joe Kohn and Spain.

Patrons' meeting which has usually been held Friday afternoon before Halloween will be postponed till Wednesday before Thanksgiving. This change is on account of the Southeast Missouri Teachers' Association at Cape Girardeau Oct. 26-27-28.

The girls' basket ball team is now doing extra practice under the coaching of Miss Annie Pickens. The team had a call meeting Tuesday forenoon and elected Allie Thomas captain and Ethel Hamilton treasurer.

The team this year is composed of the following:

Forwards—Hattie Mae Argo and Sadie Mitchell.
Guards—Ethel Hamilton and

DO YOU WANT PEACE WITH WILSON, OR WAR WITH HUGHES?

There is only one choice as against peace, and that is war. Some of the supporters of that (the Republican) party, a very great body of the supporters of that party, outspokenly declare that they want war; so that the certain prospect of the success of the Republican Party is that we shall be drawn in one form or other into the embroilments of the European war, and that to the south of us the force of the United States will be used to produce in Mexico the kind of law and order which some American investors in Mexico consider most to their advantage.

There is a more serious aspect even than that. There is an immediate result of this thing, my fellow citizens. From this time until the 7th of November it is going to be practically impossible for the present Administration to handle any critical matter concerning our foreign relations, because all foreign statesmen are waiting to see which way the election goes; and in the meantime they know that settlements will be inconclusive.—From President Wilson's address to the Young Men's Democratic League at Shadow Lawn, Sept. 30.

Allie Thomas.

Batting Center—Sarah Cooney.

Back Center—Bertha Thomas.

Substitute—Lottie Orton.

The team gives promise of a good playing aggregation for the season.

Friday afternoon the girls will play the Kennett girls on our court. Last year we swamped the Kennett team on their own court. This year they claim to have a much stronger team and expect to redeem themselves.

The High School will give a play some time before Thanksgiving.

Miss Lambert is now going over some titles to enable her to select a good play for the occasion.

L. F. Croom of Pinson, Tenn., came over Sunday night for several days' visit with his brother-in-law, John T. Buckley, and family. Mr. Croom is a successful farmer, and of course noted the fine farming advantages of our county. He was quite pleased with our prospects for a greater farming career in a few more years.
